

The Wimberley Watchtower

EMERGENCY RADIO & COMMS CARD · WIMBERLEY VALLEY

EMERGENCY
Call 911

WEATHER RADIO

162.400	WXK27 Austin. Primary for Hays County. Set SAME code 048209 so a desk radio alarms only for Hays County.
162.550	WXK67 San Antonio. Backup, likelier from the south end of the Valley.
All seven	162.400 to 162.550. Scan them if Austin is off the air.

Warn Central Texas: free text, call and email alerts for your street address. Register at warncentraltexas.org before you need it.

AM AND FM BROADCAST

94.3 FM	KWVH, Wimberley Valley Radio. Local emergency and public information.
590 AM 99.7 FM	KLBJ Austin. News and talk.
1200 AM	WOAI San Antonio. 50,000 watts. Fallback if Austin is off the air.

FAMILY RADIO: FRS AND GMRS

GMRS 20	462.675, tone 141.3. Informal travel and emergency channel, widely monitored. FRS radios share channels 1 to 22 with GMRS.
462.600	Wimberley GMRS repeater (input 467.600, no tone listed), about 5 miles. GMRS license: \$35, no exam, covers the household.

LISTEN ONLY: FIRE AND EMS

154.010	Wimberley VFD dispatch.
155.895	Wimberley Fire/EMS dispatch, patched from LCRA.

Receive only. Transmitting on these is a federal crime. Most county traffic is on P25 trunked radio a basic scanner cannot hear.

MESH TEXT MESSAGING (MESHCORE)

Public	Already on every radio. Everyone on the mesh sees it. The place to ask neighbors for information or help.
Add	Tap +Add Channel , join a hashtag channel, and type the name in lowercase. Do this for each channel below.
#testing	Post a test message to confirm your radio reaches the mesh. People and bots answer.
#bot	Send !flood for river gauges or !nws for active warnings. Warnings are also pushed to #alerts.
#meshwx	Send wx 78676, warn 78676 or forecast 78676. Satellite-fed bot; works without the internet. Replies are distance-limited.

Text only. Volunteer-run, not an emergency service. Channels are public; use a handle. Set up your radio before you need it.

HAM RADIO (LICENSE NEEDED TO TRANSMIT)

145.250	AK5Q, WVARC, Wimberley Square. Offset -0.600, tone 162.2. Net Tuesdays 7 PM.
147.050	KE5LOT, Hays/Caldwell ARC, Kyle. Offset +0.600, tone 114.8. Net Tuesdays 7:30 PM.
146.520	National simplex calling. First place to call if the repeaters are down.
